Hi Pam,

I just got this from Greg Orcutt, Chair of the Finance Committee; sorry it's so last minute. Can this be considered at your meeting tonight? Hopefully this will do as a formal letter/request.

Thanks, Janice

Sorry this got lost, and I know that the ZBA is meeting tonight.

What we're asking the ZBA to do is to increase their legal line in their budget for 2023 to \$5000.  
This request is based on a multiyear look at the history of their legal expenses

Greg.
